DATE: January 2, 2007

Attached you will find my annual report for the year 2006. The data reported is a summary obtained from our quarterly reports, monthly foot patrol schedules, our foot patrol log book, monthly foot patrol meetings and training, several informational and service programs, as well as meeting and discussions with many of you. I once again thank each and every one of you for helping our continued success. It continues to be a warm feeling when we are walking or working in the park, and visitors stop to say, "thanks for all you do". As in the past, if you have any comments or suggestions to improve this report, please let me know.
